

## Backgrounder

### Canada and Quebec fund 39 projects to improve water and wastewater systems in the Quebec region

*Investment of more than \$157.7 million*

The governments of Canada and Quebec are investing \$157,775,014 in 39 water and wastewater projects to ensure residents of the Quebec region have access to clean and reliable water sources. Funding for the 38 projects under the Clean Water and Wastewater Fund was made possible by [signing of the bilateral agreement on July 5, 2016](#).

The Government of Canada is contributing \$93,021,589 for the 39 projects, representing 50% of the total eligible costs, and the province is providing \$64,753,425. The municipalities will provide the balance.

*List of new projects*

#### Clean Water and Wastewater Fund

Location	Project Name	Federal Funding	Provincial Funding	Anticipated Start Date
Beaupré	Renewal of water pipes	\$2,498,900	\$1,649,275	May 1, 2017
Boischatel	Upgrading to Drinking Water Treatment Plant	\$5,299,587	\$3,497,729	May 15, 2017
Clermont	Renewal of water pipes	\$594,608	\$392,442	May 29, 2017
Donnacona	Renewal of water pipes	\$2,487,715	\$1,641,890	April 1, 2017
Fossambault-sur-le-Lac	Reconstruction of the main pumping station	\$2,005,000	\$1,323,300	August 1, 2017
La Malbaie	Wastewater treatment, Saint-Fidèle area	\$1,776,905	\$1,172,759	May 29, 2017
Lac-Beauport	Mont-Cervin, phases 2, 3 and 4	\$3,240,000	\$2,138,400	May 1, 2017
L'Ancienne-Lorette	Renewal of water pipes	\$5,004,579	\$3,303,021	April 1, 2017
L'Ange-Gardien	Addition of two (2) new pressure reducing chambers	\$260,299	\$171,798	July 1, 2017
L'Ange-Gardien	Renewal of water pipes	\$2,029,966	\$1,339,779	May 1, 2017
Les Éboulements	Renewal of water pipes	\$422,742	\$279,007	May 1, 2017
Neuville	Extension of the sanitary sewer	\$7,677,719	\$5,067,301	April 1, 2017

	system - Eastern sector			
Pont-Rouge	Renewal of water pipes	\$2,500,020	\$1,650,013	May 16, 2017
Portneuf	Drinking water distribution - Reservoir and connecting pipes	\$1,727,917	\$1,140,425	June 5, 2017
Portneuf	Renewal of water pipes	\$1,322,379	\$872,771	May 1, 2017
Saint-Casimir	Upgrading of drinking water treatment / Pied-de-la-Montagne area	\$810,789	\$535,121	June 1, 2017
Saint-Hilarion	Renewal of water pipes	\$1,613,704	\$1,065,046	May 1, 2017
Saint-Joachim	Construction of a drinking water reservoir (village area)	\$1,182,853	\$780,684	June 5, 2017
Saint-Pierre-de-l'Île-d'Orléans	Extension of the sewer system - Eastern sector	\$420,000	\$277,200	May 1, 2017
Saint-Raymond	Sewers - Bourgeois Street, Aqueduc Street, Bureau Street, and Notre-Dame Street	\$378,000	\$249,480	June 14, 2017
Saint-Raymond	Renewal of water pipes	\$1,259,878	\$831,520	April 1, 2016
Saint-Urbain	Drinking water upgrade	\$1,388,591	\$916,472	July 3, 2017
Shannon	Manganese removal project	\$1,246,000	\$822,360	June 12, 2017
Ste-Catherine-de-la-Jacques-Cartier	Renewal of water pipes	\$1,414,886	\$933,824	June 1, 2017
Stoneham-et-Tewkesbury	Upgrading of the treatment plant with the addition of a tertiary treatment of dephosphatation by granular filtration	\$907,093	\$598,682	March 27, 2017
Lac-Sergent	Wastewater collection and	\$2,739,871	\$1,808,805	May 1, 2017

	treatment			
Québec	Installation of a scum collector and sludge thickener system	\$403,454	\$266,280	January 16, 2017
Québec	Upgrading of filter washing system	\$679,794	\$448,663	September 9, 2017
Québec	Storm sewers for the Laurentienne and Félix-Leclerc highways	\$8,886,247	\$5,864,923	May 3, 2017
Québec	Refurbishment of valve chambers under Quatre-Bourgeois Rd. and addition of valves to the Bouvier sector	\$820,215	\$541,342	June 30, 2017
Québec	Renovation of U396, U397, U392 pumping stations and the addition of pumped overflow to the U303 pumping station	\$856,829	\$565,508	June 30, 2017
Québec	Redesign of step-level pressure controls in the Loretteville and St-Émile sector	\$763,652	\$504,011	June 1, 2017
Québec	Installation of a new trunk watermain in Quebec City's upper town (Salaberry, St-Jean, Turnbull)	\$3,541,753	\$2,337,558	March 1, 2017
Québec	Construction of the Canetons pumping station and refurbishment of the storm sewer	\$3,599,496	\$2,375,668	April 2, 2017
Québec	Renovation of Ste-Foy water treatment plant – Replacement of ozonation system	\$1,401,927	\$925,272	September 19, 2016

Québec	Expansion of Bélair reservoir	\$2,748,048	\$1,813,712	May 31, 2017
Sainte-Anne-de-Beaupré	Drinking water supply, production and distribution systems	\$5,958,761	\$3,932,782	July 17, 2017
Québec	Gaudarville pumping station	\$1,272,973	\$840,163	July 31, 2017

**Building Canada Fund (Canada-Quebec), Large Urban Centers Component**

Location	Project Name	Federal Funding	Provincial Funding	Anticipated Start Date
Québec	Wastewater treatment Phase 5 – Place du Foulon (Québec)	\$9,878,439	\$9,878,439	March 9, 2016
