

## Backgrounder

### Canada and Quebec fund 19 projects to improve water and wastewater systems across Montérégie

Total Investment over \$50 million

#### Clean Water and Wastewater Fund

Under this new federal funding program, the governments of Canada and Quebec are investing over \$50 million in 19 water and wastewater projects to ensure residents of Montérégie have access to clean and reliable water sources. Funding for these projects was made possible by [the signing of the bilateral agreement on July 5, 2016](#).

The Government of Canada is contributing \$30,679,078 for the 19 projects, representing 50% of the total eligible costs, and the province is providing \$20,248,194.

List of 19 new projects:

Location	Project Name	Federal Funding	Provincial Funding	Anticipated Start Date
