

# CLINICAL AND BUSINESS TRANSFORMATION

## SOLUTION

Improve your organizational and shared service performance, deepen vertical and horizontal integration, and increase information sharing with Healthtech's Clinical and Business Transformation Solution. Our proven methodologies and industry professionals will remove barriers to change, improve and optimize your clinical and business key performance indicators, and streamline operational efficiency.

### TRANSFORMING HEALTH

When it comes to transforming clinical and business processes in a meaningful and practical way, Healthtech is Canada's most sought after IM / IT consulting firm. We work with your people and within your organization, bring additional resources to the table as required, manage complexity, and take care of the heavy lifting. We cut through complexity to improve the return on your investments, optimize systems and processes, and maximize progressive change.

### OUR SOLUTION

Healthtech provides a wide range of services related to clinical and business transformations. Our Clinical and Business Transformation Solution aligns process, people, and technology to ensure that you, and your community and regional colleagues, are well-positioned to make the most out of your shared systems and technologies. The tangible benefits of our Clinical and Business Transformation Solution include:

- **Reduced wait-times**
- **Improved patient and clinician satisfaction**
- **Optimized IT**
- **Reduced administrative complexity**
- **Improved community information sharing**

### .. REGIONAL EFFICIENCY

**HEALTHTECH WORKED WITH THE SASKATCHEWAN ASSOCIATION OF HEALTH ORGANIZATIONS, THE SHARED SERVICES OFFICE, REGIONAL HEALTH AUTHORITIES, GOVERNMENT AGENCIES, THE MINISTRY OF HEALTH, SASKATCHEWAN HEALTH INFORMATION NETWORK, AND THE COUNCIL OF HEALTH CHIEF EXECUTIVE OFFICERS TO CONDUCT A CURRENT STATE ASSESSMENT, FEASIBILITY STUDY, AND THE DEVELOPMENT OF 8 BUSINESS CASES, LEADING TO A ROADMAP AND PLAN FOR A PROVINCE-WIDE SHARED SERVICES MODEL. HEALTHTECH WAS RETAINED TO SUPPORT FINANCE, HR, ADMINISTRATIVE AND INFORMATION TECHNOLOGY SHARED SERVICES SOLUTIONS.**

## OUR VALUE

We are Canada's preferred healthcare IM / IT consulting firm for five distinct reasons:

### Real Results

200 healthcare IM / IT projects delivered annually.

### Efficient Service

We deliver to your specifications, timelines and cost structure.

### Unparalleled Industry Experience

30 years of health sector experience. 75% of our people have clinical backgrounds.

### Practical Knowledge

Our consultants have worked in the contemporary healthcare landscape. We know what works and doesn't.

### Tailored Solutions

Our clinical background, experience and practical knowledge add up to a adaptive, responsive, cost effective and focused solution.

We manage complexity and allow you to manage healthcare.

## OUR COMPANY

Healthtech Consultants is the leading Canadian provider of information management services exclusively to the healthcare sector. Our cutting edge strategies, proven methodologies and innovative solutions transform health system management, and care delivery through the use of technology. Our in-house teams of clinicians, health system managers and information specialists know healthcare and understand its unique challenges. We know that results matter. We have solutions that are innovative, realistic, sustainable and tailored to meet your needs. For over 30 years, our real experience has delivered real results by providing patients and clinicians the information they need to drive improved health outcomes.

Please contact the Healthtech account manager for your institution directly, or our support staff at [solutions@healthtech.ca](mailto:solutions@healthtech.ca), for additional information. We are happy to answer any questions you may have about our solutions or services, arrange a site evaluation, or schedule a visit to discuss your current or new requirements at any time.
