# BlackBerry Tour 9630 Smartphone

World Connectivity | Social Networking | Enhanced Multimedia

## Stay in Touch

Features	Benefits
World phone capability on 3G networks	The BlackBerry® Tour™9630 smartphone helps you stay in touch from almost anywhere in the world. <sup>1</sup>
Full-featured phone	Have the features of a desktop phone with you when you're between appointments or running late. <sup>2</sup>
Send and receive text and picture messages (SMS & MMS)	Keep in better touch with contacts who prefer text <sup>2</sup> and picture messaging. <sup>3</sup>
Enhanced Web Mail	Whether you use AOL® Mail, Gmail™, Windows Live™ or Yahoo!® Mail, you can enjoy on-the-go access to your favorite supported web mail. <sup>3</sup>
View attachments	Open popular document and graphic attachments on the go. That includes JPEG, Adobe® PDF and Microsoft® Word, Microsoft® Excel® and Microsoft® PowerPoint® files. <sup>4</sup>
Edit Microsoft Word, Microsoft Excel and Microsoft PowerPoint Files	Enjoy the flexibility of working on Microsoft® Word, Microsoft® Excel and Microsoft® PowerPoint files from just about anywhere <sup>5</sup>
Instant messaging	Chat from just about anywhere using Windows Live™ Messenger, Google Talk™, Yahoo!® Messenger, AOL® Instant Messenger™ or ICQ® apps built specifically for BlackBerry smartphones. <sup>3,6</sup>
Social Networking for BlackBerry smartphones	Facebook® for BlackBerry® smartphones, Flickr™ Photo Uploader for BlackBerry® smartphones and MySpace® for BlackBerry® smartphones. <sup>3,7</sup>

## Entertainment on the Go

Features	Benefits
Media Player	Watch your videos and listen to your music all with the excellent visual and sound quality you expect from your BlackBerry® smartphone.
Camera with Geo-Tagging Capability	Take photos wherever the inspiration hits you with a 3.2 MP camera with image stabilization, auto flash, auto focus and 2x digital zoom. Plus, you'll never struggle to remember where you took each picture. Snap away – geo-tagging notes each location automatically.
Video Recording	With built-in video recording, you'll love watching and recording videos. <sup>8,9</sup>
BlackBerry® Media Sync	BlackBerry® Media Sync lets you sync your desktop iTunes® music files with your BlackBerry® smartphone. In just a few easy steps, you can take your tunes on the go, wherever you go. <sup>10,11,12,13</sup>
Mobile Streaming	Access videos, music or even sports and news clips from web sites built for mobile streaming. <sup>14,15</sup>

## Browse, Shop and Buy

Features	Benefits
BlackBerry App World™	Discover a world of possibilities at the BlackBerry App World™ storefront. Personalize your BlackBerry® smartphone with games, social networking, personal productivity applications and so much more.

## Instant Information

Features	Benefits
GPS and BlackBerry® Maps	You can use the GPS capabilities of the BlackBerry® Tour™ smartphone with BlackBerry® Maps or other third-party mapping apps to access directions and maps to your destination. <sup>16,17,18</sup>
HTML Browsing	A responsive, dynamic browsing experience, to help you get the information you need, when you need it. <sup>16</sup>
Business Ready	For small to medium-sized businesses, Hosted BlackBerry® services and BlackBerry® Professional Software are designed to offer affordable solution options. For large organizations, BlackBerry® Enterprise Solution is designed to provide advanced security features and enterprise-grade functionality.

For more information on the BlackBerry® Tour™ 9630 smartphone please, visit [www.blackberry.com/tour](http://www.blackberry.com/tour)

1. For a list of countries where voice and data services can be accessed using the BlackBerry® Tour™ 9630 smartphone, please visit [www.blackberry.com/go/worldedition](http://www.blackberry.com/go/worldedition). 2. Requires activation with voice plan. 3. Requires activation with data plan. 4. For a complete list of supported file formats, visit [www.blackberry.com/go/attachmentsupport](http://www.blackberry.com/go/attachmentsupport). 5. The BlackBerry® Tour™ 9630 smartphone does not support Microsoft® Office 2007 files. 6. The ability to send pictures is not supported by all instant messaging programs. Check with your IM provider for supported features and services. 7. The Facebook for BlackBerry smartphones and Flickr Uploader for BlackBerry smartphones applications are available at no charge to the user. Check with your provider to determine the costs that may be associated with downloading the software. 8. For a complete list of supported media-file formats visit [www.blackberry.com/go/mediafiles](http://www.blackberry.com/go/mediafiles). 9. Depending on the amount of built-in memory available for use, a third-party microSD card may need to be properly inserted into the BlackBerry smartphone to enable the video recording feature. MicroSD cards may be purchased separately. 10. For BlackBerry Media Sync to work, your media-enabled BlackBerry smartphone must be connected to your computer via a USB cable. Certain music files may not be supported by the media player, including incompatible file types and files that contain digital-rights-management technologies. 11. BlackBerry Media Sync is compatible with devices featuring BlackBerry® Device Software v4.2 or later. Devices that do not feature built-in mass storage capabilities (significant amounts of on-board memory) will require a microSD card to be properly inserted. Please visit [www.blackberry.com/mediasync/microSD](http://www.blackberry.com/mediasync/microSD) for a list of devices requiring microSD cards. 12. BlackBerry Media Sync is compatible with 32-bit editions of Windows XP Service Pack 2 which can be used with iTunes version 7.0 or higher AND 32-bit editions of Windows Vista® which can be used with iTunes version 7.2 or higher. Not compatible with Windows 2000 or with Mac® OS. 13. All applicable charges will still apply to the purchase of music from iTunes. 14. Actual speeds may vary by carrier and are dependent on network load. HSPA network coverage is only accessible within specific areas with GSM networks. Check with your service provider for details. 15. The BlackBerry® Tour™ 9630 smartphone is designed to access 3GPP RTSP mobile streaming websites. If the streaming functionality is accessed via the WAP browser, significant additional charges may apply. Check with your service provider for supported features and services. 16. Requires activation with data plan including Internet access. 17. For details, services and coverage areas, visit [www.blackberry.com/maps](http://www.blackberry.com/maps). 18. Check with your service provider for supported features and services.

Additional terms and conditions may apply to goods and services made available through the BlackBerry App World™ storefront. Pricing and availability may change without notice.

Check with your service provider for roaming arrangements, service plans and supported features and services. Certain features outlined in this document may require BlackBerry Enterprise Server software v4.1.5, BlackBerry® Desktop Manager and/or BlackBerry Device Software v4.5.

When you subscribe for, acquire or use third party products and services with RIM products or services you accept that: 1. It is your sole responsibility to (a) ensure that your airtime service provider will support all of their features and (b) identify and acquire all required intellectual property and other licences prior to installation or use and to comply with the terms of such licences; 2. RIM provides such products and services on an "AS IS" basis with no express or implied conditions, endorsements, guarantees, representations or warranties of any kind, and assumes no liability whatsoever with respect to them.
