Connecting Canadians in southern Saskatchewan

YourLink Inc.

The Government will provide \$4.63 million to YourLink to connect over 40,000 homes in Saskatchewan to high-speed Internet at a minimum speed of five megabits per second (Mbps). This investment will benefit over 100 communities in the southern half of Saskatchewan, including but not limited to:

Albertville, Battleford, Carruthers, Dinsmore, Estevan, Loon Lake, Melfort, Moose Jaw, Nipawin, North Battleford, Prince Albert, Rouleau, Swift Current, Tompkins, Wakaw Lake, Weldon and Yorkton.
