LEGEND

JURASSIC

- Undivided Granite
- Riebeckite granite porphyry
- Aegirine granite
- Fine-grained riebeckite granite porphyry

SILURIAN - DEVONIAN

- Descon Formation
- Undifferentiated mudstone, siltstone, argillite and shale

ORDOVICIAN - SILURIAN

- Undifferentiated granite & diorite
- Mineralized Shear Zones
- Unmineralized Shear Zones

Bokan Intrusive Complex

LEGEND

- Index Contour
- Rough Road
- Gravel Road
- Drill Hole 2009
- Drill Hole 2007/2008
- Adit

Bokan Mountain
Prince of Wales Island, Alaska
Drill Hole Location Plan

Date: 2009.11.24 Data: 2009.11.11
Scale: 1: 20,000 (11x17)
