

Marcy Sullivan

Marcy is committed to building a strong future for young people and, to that end, is thrilled to be able to align her talents and experience with Ducks Unlimited Canada (DUC). She firmly believes that sustainability can be achieved through research, action and educating youth.

As a Chartered Accountant, Marcy has opened the doors to several opportunities for personal growth, including obtaining her C.P.A. in the United States and achieving the level of Green Belt in Six Sigma, and is committed to life-long learning.

Marcy comes to DUC from the Canadian Museum for Human Rights (CMHR), where she has served as Director of Finance since moving back to Canada in 2009. Her role has exceeded the area of financial management, including work in strategic planning, opening scenarios, operating and capital plans and submissions, annual reports and corporate plans, internal reporting, developing policies and internal controls and sourcing and implementing an Enterprise Resource Planning system. In her role, she also led a conversion to Public Sector Accounting Standards and Quarterly Financial Reporting.

Marcy was raised in Melita, Manitoba and went to University of Manitoba to obtain her Bachelor of Commerce. She worked with KPMG in Winnipeg prior to taking a job with KPMG in Turks and Caicos Islands. After leaving KPMG, she joined Carlisle Holdings based in Belize, Central America and worked for this publicly traded company for eight years in Turks and Caicos Islands, Belize and Florida, holding positions responsible for planning, consolidations, reporting, and assisted in mergers and acquisitions. The diverse companies held by Carlisle included Facilities, Staffing and Security Services, Banking and Financial Services and Construction.

Marcy has also held managerial positions with Florida Power and Light, Nextera Energy Resources, Office Depot and BuildAll Distributors. Her roles were in finance, reporting, budgeting and planning and project management.

Marcy is passionate about coaching and mentoring people and values their contributions. She is an energetic mom to three girls and a friend and resource to many. She is thankful for the opportunities she has been given and is driven by working with a team that is passionate about what they do.
