THIS MONTH'S TOPIC THE ROOTS OF THE OCCUPY MOVEMENT

Toronto's favourite mayor, David Miller, launches the new live idea series **Occupy The Mic With David Miller**, an engaging, entertaining triple-threat evening of thought-provoking discussion, song and comedy. This premiere edition of the live talk show looks at the roots of the Occupy movement and why the 99 per cent are finally ready to fight back. Join Miller's guests, including singer/songwriter/MP Andrew Cash, comedian Arthur Simeon, and co-host NOW editor/publisher Michael Hollett as they probe the problem, try for solutions and entertain along the way. Not your typical town hall.
