

# Philippines Project 2009

## Project Overview

In December 2009, Pacific Coast Council Scouts from Vancouver, Canada will be going to Davao City, Philippines to offer training for adult and youth members of Philippines Scouting.

Training sessions will enhance the skills of leaders and add value to their programs. Canadian Trainers will also provide Leaders with the tools and materials to educate others after we've left.

## Offered Training

- Management Training
- Emergency Preparedness
- Basic & Advanced Leader Training (Woodbadge)
- Climate Change
- Leave No Trace
- World Scouting Training (Woodbadge)

## Scouting in the Davao City

Davao City has over 75,000 Scouts. Education is highly valued and our training will aid many leaders in finding and advancing their careers.

## Canadian Training Team

The contingent is a mix of experienced adult leaders and dynamic youth trainers. All share a common goal of improving the lives of others.
