Saturn Minerals Inc. and Swift Resources Inc. have provided this map as an information resource based on sources deemed by Saturn Minerals Inc. and Swift Resources Inc. to be reliable. Although extensive effort has been made to produce error free and complete data, all geographic and land title information has limitations due to scale, resolution, date and interpretation of the original source materials. This information contained in this map may be used on the strict understanding that neither Saturn Minerals Inc. or Swift Resources Inc. shall be liable to any persons for any loss or damage of any nature, whether arising out of negligence or otherwise, which may be occasioned as a result of information provided by this map. The Companies also caution against placing under reliance on the visual observations of the coal intercepts until the results of the really work have been announced.
