

COMMITMENTS AND OUTCOMES

Commitments	Sound	Ethiopia Madagascar	Burkina Faso Burundi Nepal	Tanzania	Guatemala Malawi Peru
	Fair	Niger	Bangladesh Kenya Mali	Ghana Indonesia Mozambique Uganda Zambia	
	Emerging	Afghanistan Pakistan	Cambodia Nigeria		Egypt Iraq South Africa Turkey Vietnam
	Frail	Democratic Republic of Congo India Yemen	Côte d'Ivoire Sudan	Angola Cameroon Myanmar	Philippines
		Frail	Emerging	Fair	Sound
		Outcomes			

Notes: Commitments refer to political, legal and financial commitments.

Outcomes refer to nutrition and child survival outcomes.

As with any composite index, categorisation of countries can reflect either 1) consistent performance or 2) an average of varying performance across indicators. For example, Guatemala's 'sound' categorisation reflects good performance on child survival despite a stunting level of 48%, which is a serious national problem requiring urgent attention.
