End a call

Stay in Touch

Features	Benefits
Enhanced SurePress touch screen	The innovative, clickable touch screen reacts to your touch making text input faster, more comfortable and more accurate. Use natural gestures such as pointing and clicking to interact with the features and applications. The tactile feedback reassures you that contact has been made, so there is less room for errors when you type.
Phone	With the BlackBerry® Storm2™ smartphone you'll have the tools you need to make life easier. Have the features of a desktop phone with you when you're between appointments or running late.[1]
Send and receive text and picture messages (SMS and MMS)	Keep in better touch with contacts who prefer text[1] and picture messaging.[2,3]
Enhanced web mail	Whether you use Gmail®, AOL® Mail, Windows Live™ or Yahoo!® Mail, you can enjoy on-the-go access to your favorite supported web mail.[2,4]
View attachments	You can open some of the most popular documents and graphic attachments even when you are on the go. That includes JPEG, Adobe® PDF, Microsoft® Word, Microsoft® Excel® and Microsoft® PowerPoint® Files.[5]
Edit Microsoft Word, Microsoft Excel and Microsoft PowerPoint files	Enjoy the flexibility of working on most Microsoft Word or Microsoft Excel and Microsoft PowerPoint Files from just about anywhere. You will also enjoy many of the same features you do on your computer – copy and paste, change font sizes and colors, adjust bullets and numbering, and more.[6]
Instant messaging	Chat from just about anywhere using Windows Live™ Messenger, Google Talk™, Yahoo!® Messenger, AOL® Instant Messenger™ or ICQ® apps built specifically for BlackBerry® smartphones.[2]
Social networking for BlackBerry smartphones	Stay in touch with Facebook® for BlackBerry® smartphones, Flickr™ Photo Uploader for BlackBerry® smartphones, MySpace® for BlackBerry® smartphones.

Entertainment on the Go

Features	Benefits
Media Player	Watch your videos and listen to your music with all the excellent visual and sound quality you expect from a BlackBerry smartphone.
Camera with auto-focus and image stabilization	With a 3.2MP digital camera built right into your BlackBerry smartphone, you can capture special moments and share them with friends, family and contacts in an email or picture message (MMS).[2,3]
Video Recording	With built-in video recording you'll love recording and watching videos.[7,8]
Expandable memory capability	The BlackBerry Storm2 smartphone comes loaded with a 2 GB embedded multimedia card to hold tons of pictures, videos, music and files you want to take with you wherever you go. And you're never limited to smartphone memory alone – you can enjoy expandable memory for your multimedia files by swapping microSD™ cards in and out of your smartphone.[9]
Large, high-resolution screen	Enjoy more of what you love with the BlackBerry smartphone. Watch videos,[7] send pictures to friends[2,3] and take great pictures on your BlackBerry smartphone. The bright colorful screen provides a great viewing experience. Plus, with a screen this large, you'll see more of web pages, maps and emails, without having to scroll much. And with the large, high-resolution screen, almost everything you do on your BlackBerry smartphone is easy on the eyes.
BlackBerry® Media Sync	BlackBerry Media Sync lets you sync your desktop iTunes® or Windows Media Player® music files with your BlackBerry smartphone. In just a few easy steps, you can take your tunes on the go, wherever you go.[10] BlackBerry Media Sync is built right into your BlackBerry® Desktop Software. So if you are a Mac Computer user, just choose the "media" option and you're ready to sync your iTunes music collection from your BlackBerry smartphone onto your Mac.[11]
Mobile streaming	Access videos, music or even sports and news clips from the web sites built for mobile streaming. The BlackBerry Storm2 smartphone is built to support fast browsing and downloads.[12]

Browse, Shop and Buy

Features	Benefits
Pre-installed BlackBerry App World storefront	Personalize your BlackBerry smartphone with apps from the BlackBerry App World™ storefront and discover how to put more of your life on your BlackBerry smartphone.

Instant Information

Features	Benefits
Wi-Fi support	Wi-Fi delivers fast download speeds and web browsing, and can be used to provide access to BlackBerry data services in Wi-Fi hotspots or other areas with Wi-Fi networks – including your home or office.[2,13]
Built-in GPS capabilities	Designed to work with BlackBerry® Maps and other location based software, use it to help determine where you are and how to get where you need to be. And with the BlackBerry Storm2 smartphone, you don't have to sacrifice guidance for accessibility – you can view maps and directions even when you're using the phone.[2,14]
HTML browsing	A responsive, dynamic browsing experience to help you get the information you need, when you need it.[2]
BlackBerry® Service	Once activated, you've got the freedom to browse the Internet,[2] make calls[1] or chat with an instant messaging contact,[2] from just about anywhere.
