

In times of crisis...

Our children and communities need quality public education more than ever.

Educational Assistants play an important role by supporting students with special needs and by providing supervision in hallways and schoolyards.

Please tell the Toronto District School Board:

“Do NOT cut 150 Educational Assistants!”

In times of crisis...

Our children and communities need quality public education more than ever.

Physical education – including swimming instruction – is not a frill.

Please tell the Toronto District School Board:

“Refuse to close our school pools!”
