

Tim Kenny

Tim Kenny is passionate about nature. He has fully embraced Ducks Unlimited Canada (DUC) by working tirelessly and giving generously in support of its wetland conservation mission. Tim was elected to the DUC Board of Directors in March 1991, and was named Director Emeritus in 2004 when he retired from the Board.

DUC is a family activity for the Kennys. Tim, his wife Audrey, and their children and grandchildren also actively support the organization. Tim Kenny is a veritable ambassador for wetland conservation and the protection of waterfowl, and is among the most generous donors in DUC's history.

Pierre Sylvestre

Pierre has volunteered for the Berthier/Joliette/Repentigny Ducks Unlimited Canada (DUC) committee for 26 years. This committee includes 11 volunteers who organize an annual fundraising dinner, chaired by Pierre, in support of wetland conservation in Quebec.

In June 2010, Pierre stepped down as chairman, but remains active on the committee. Now, he also volunteers as the President of the Western Quebec Region (Montreal area). In this new position, he is actively involved in the creation of a new committee in downtown Montreal. He is currently selling tickets for both committees to organize a fundraiser and is busy raising important funds for wetland conservation.
