**SUPERFIRE HITS THE BIGS** – At their wrap-up session at Metalworks studios, there's drummer Jeff Letarte at left, next to Metalworks Studio engineer Wayne Cochrane. Then, from left, it's Superfire across the board: Corey Dawson (bass), Tony Clarke (guitar), Kyle Wester (guitar) Jamie Perrenoud (vocals) William Murray (band wrangler, a.k.a Music Therapist), Angelo Verdan (keyboards) and Josh Pepin (guitar). Absent from this photo but onstage June 4: guitar man Ray Tiberia.
